KELLY KAY SWEEPS AND LINSEY FINALLY WINS ONE!

Dear *Voluptuous*,

As a subscriber to both *Voluptuous* and *SCORE* for many years, I was surprised to see that Linsey Dawn McKenzie, the greatest natural of all-time, was not in the running for *Voluptuous*' 2004 Model of the Year award, but made *SCORE*'s 2004 Model of the Year contest.

I know she has not won in the past, and with Kerry Marie, Nadine Jansen and Nicole Peters, three models who are more *Voluptuous* in body than Linsey and with equally awesome tits, it was very likely Linsey would finish no better than fourth in 2004's contest. Still, it would have been nice, and very respectful, to have included Linsey in the *Voluptuous* contest, even if she didn't have a prayer of winning.

One lady I am keen to see compete in the *SCORE* contest is Kelly Kay. With Nicole Peters in 2003 and now Kelly Kay, you have presented two of the best all-natural newcomers in history, and you have done it in back-to-back years. It will be interesting to

**LINSEY DAWN
MCKENZIE**

If anybody doubted 2004 was the Year of the Natural, here's proof positive. Our sister magazine, *SCORE*, has just crowned their top newcomer and #1 model for 2004, and the awards went to two naturals. Kelly Kay beat out some super-enhanced competition to win Newcomer of the Year, and Linsey Dawn McKenzie, a long-time runner-up in the contest, is finally *SCORE*'s 2004 Model of the Year.

see how Kelly fares against the augmented, super-busty ladies of *SCORE*. I, for one, would expect her to win quite handily.—L.F., England

Editor's Note: It wasn't much of a competition. Kelly beat out a T-cuppper (Keisha Evans) to match Nicole Peters' 2003 feat and sweep both magazines' Newcomer of the Year awards for 2004. And, with the July '05 issue of *SCORE* (available worldwide April 26th), Linsey is finally a winner. Word just in is that "The Natural" has won *SCORE*'s 2004 Model of the Year award. Congrats, Linsey.

knew what the "Big O" was. That was, until we started looking at your magazines and watching your videos together.

I've never done this before with anyone. I'm 28 years old, and he's 38 and a little more experienced than me. I thought I was experienced, too, but I guess he showed me. He has made me reach more orgasms in the past three years than I have my whole life.

Little did he know I was as horny as him and that I like to look at big tits and hot asses as much as he does. He showed me that touching myself was a good thing. We bought my first vibrator together. He's also showed me that taking it up the ass is a very good thing. That is the best climax I have ever had.

Now, I can't get enough. I love to suck on him until he shoots his load down my throat. My pussy is throbbing and gushing as I cum with him. I start sucking again. Then, I bend over as he sticks the dildo in one hole and his manly rod in the other.

AN ODE TO AUTUMN

Dear *Voluptuous*,

As Autumn-Jade has not appeared recently in *Voluptuous*, here is a poem dedicated to her.

There goes Autumn-Jade,
All billowy-bosomed over-flowed
As we kiss and her bosom heaves,
Will she ever to me be known.

And yes, between her thighs
so shapely soft and round,
The blood so swiftly courses around
My member so proudly stands,
And takes her and shudders aloud.

Then, when paradise slowly fades,
And she waits for any flowers,
In time she gently swells and glows,
The lovely Autumn-Jade.

With apologies to Robert Browning (1812-1889), England's most prolific poet. I hope you'll show more pictures of Autumn soon.-P.N., England

Dear P.N.: Autumn was just published in the March '05 issue, so P.N., you could rest your brain, work your fist and, nothing personal, please, no more poetry!

IN THE "YOU CAN'T PLEASE EVERYBODY" CATEGORY...

Dear *Voluptuous*,

You have superb photographers. But the idiot who first thought up photographing models with dildos has got to be the stupidest person ever. That is so sickening—a dildo sticking out of a girl. Ugh!

And who wants photos of men with the girls? This hardcore is almost as bad as the dildos.

And whoever writes the notes for each layout (the editor?) can sometimes be so immature. The things he says, telling people what to do with the photos, is so immature.

And finally, how can such a classy magazine like *Voluptuous* allow such works by writers like Donna Powell? It appears she never got past kindergarten with her immature stories using God and Jesus' name(s) in vain. Doesn't she or the editor of *Voluptuous*

KELLY KAY AND BOZENA IN BOSOM BUDDIES #6

Dear *Voluptuous*,

As a reader for more than three years and a subscriber for nearly two years, I would like to congratulate the *Voluptuous* team on a great magazine and truly fantastic girls. I love all of the models in *Voluptuous*, both slim-n-stacked and plump.

The one thing I'd love to see more of is girl-girl, especially some hardcore girl-girl video with Kelly Kay, who is the best newcomer I have ever seen. You used to do a lot of girl-girl in the magazine and on video, but you have done less as of late.

I'd be curious to see what other readers think about seeing two *Voluptuous* girls having sex in the magazine and in video?

All the best from a very chilly Scotland.—J.W., Scotland

Dear J.W.: With the arrival of boy-girl hardcore, the girl-girl scenes kind of fell by the wayside. Long a reader favorite in the '80s and '90s, we'll let readers decide whether to include girl-girl pictorials in *Voluptuous*. As far as video, when you get the chance to show Kelly Kay and Bozena going down on each other, you don't fuck around. We didn't and they did on *Bosom Buddies #6*. For a preview of that video, all you have to do is look to the right for the Video Pick of *Bosom Buddies #6*, which also includes Brandy Talore and Angela White coupling up, with Chaz and Hannah Callow enjoying titty play and masturbation. ①

BOSOM#6 BUDDIES

Pussy plugging and raunchy anal with 2004 *Voluptuous Newcomer of the Year* **Kelly Kay** in her video debut!

All righty, V-men, it's time to get another month of *All Stacked!* *All Natural!* fun and games going. First-up? A new video. And not just any video. *Bosom Buddies #6* stars freshly crowned 2004 Newcomer of the Year Kelly Kay in her new (and only) video! And she has *cumpany*. Not only does 2004 top newcomer Bozena wiggle her tongue in Kelly's honey hole, but there's some hot-ass dildo action, lots of tit-play and, oh yeah, plenty of grinding orgasms. Just looking at these pictures, it's pretty safe to say that there's a lot of dildo action on *Bosom Buddies* #6. Between Bozena taking a vibrator deep in her tight asshole and Angela White getting the strap-on goods from Brandy Talore (then giving it back to Brandy as only Angela can!), there's more fucking on this video than on most XXX hardcore flicks. And it's not like you'll see Kelly Kay, Brandy and Angela doing this kinky, raunchy stuff anywhere else. They're SCORE Group exclusives, and *Bosom Buddies* #6 is the only video with these four superstars in girl-girl sex.

ANGELICA RAVEN

Every Voluptuous nook and cranny!

Yep, with gorgeous Angelica Raven, there are a lot of round peaks and deep valleys. Best of all, Angelica loves showing off, and this month we have her newest pictures and her hardest XXX video.

Before we get into all of the humping details about Angelica's newest fuck-flick, *Voluptuous Xtra #10*, a little bit about the lady herself. She's a mid-western gal whose down-home values are in stark contrast to her drop-dead gorgeous looks. Yeah, most guys expect stunningly beautiful babes like Angelica to be all stuck-up and holier-than-thou. The truth is exactly the opposite. Angelica has never refused a date ("The way I figure, if a guy is nice enough to ask, it would be rude to turn him down."), would rather have a steak and beer over quiche and wine, loves shopping at Wal-Mart and she fucks like a cock-addict who hasn't had any in years. Okay, so we couldn't wait any longer to talk about Angelica worshipping the phallic god. Then again, we are biased. We thought her hardcore debut on *Voluptuous Xtra #8* was some of the hottest XXX we'd ever seen. Then, she came to *V-Mag Central* and did it again—hotter and hornier than before!

Only 21 years old, Angelica is still young enough to have not figured out what she wants to do in life (and not care one bit), though when pressed, she confesses to just wanting to be like her mom—find a good man, get married, have children, then grandkids—the American dream for her and a fantasy for any fortunate V-man lucky enough to land her. Until the magic happens, Angelica tells us she's just going to be young and have as much fun as possible. Thankfully, she's invited us along for the ride.

Erotic Fiction By JOHN SWANSON

I walked into the women's bathroom by mistake and caught her getting off. She was standing before the mirror, and when she saw me, she was having an orgasm and gave me a tortured grin.

"Oh, jeezus. I'm really sorry," I blurted. And she gave it a few last strokes before shoving her skirt down quickly.

"You caught me." She forced an embarrassed grin.

"Sorry," I repeated. "I thought this was the men's room." I grinned at her then, saying "sorry" again and walked out.

I'd been looking at her in the restaurant, trying not to make my stare too obvious, when she got up to go to the restroom. She wasn't at all beautiful. But she had one of those knockout bodies that some plain girls have: tall, super-huge tits and a nice amount of meat on her bones. I knew she was aware I kept looking at her. She fidgeted and gave me a quick smile. But until I barged into the wrong bathroom and caught her, I had only been giving her the same looks that any guy gives a woman who attracts him. I went back to finish my coffee before leaving, and half a minute later she came out and flopped down at my table, grinning sheepishly and obviously embarrassed.

"It's partially your fault, you know," she began with an embarrassed smile. "You kept looking at me, and I got, well, you know how it is. I dumped my boyfriend a month ago, and I guess I got affected by your stare."

Illustration By OTIS SWEAT

"I'm sorry," I said, adding, "But I'm not sorry I barged into the wrong restroom. That was, well, an unusual sight, to say the least."

She reddened. "Oh, god. I'm so embarrassed. There were no women in the restaurant, so I was sure no one would walk in on me."

I shrugged and gave her an embarrassed look. "Don't worry about it. Name's John Swanson. Yours?"

"Jane. Jane Blake. I want you to know I'm not in the habit of doing *that* in public bathrooms. Believe me, I'm..."

"Stop being apologetic. I've got an idea. Why don't we go to my place and get better acquainted? Maybe have a drink or two?"

She appeared to be thinking it over. Then she smiled and nodded. "Yes, I think I'd like that. Why don't I just follow you in my car."

I nodded and rose. We went to our cars, and she followed me closely for

the half mile to my apartment. Walking together to my front door, I noticed she was taller than I was in heels, and I guessed her age to be around 23 or so. Except for her face, which was cute, but kind of plain, she would have been a dream come true. She had really nice tits that bounced when she walked and long curvy legs that went on forever. She really had a knockout body.

Unlocking the door and letting her in first, I caught a glimpse of her ass that gave me an instant hard-on. It was incredibly round beneath her tight skirt. "I'm sure you've heard it before, Jane, but you have really got a great body."

She turned and faced me, looking a bit embarrassed again. "I hope you don't think, you know..."

"No, no. I asked you here for a drink with nothing else in mind. Believe me."

She sat, and I asked her what she liked to drink. "Beer's fine in this weather," she said.

I went to the kitchen to get it, and when I returned I saw she'd drawn her skirt high over crossed legs. As I handed her the beer my hard-on simply couldn't be hidden or ignored.

"My, my," she looked up at me and grinned. "That looks...interesting."

"It *is* interested. Any guy's would be. What'd you mean by interesting?"

She shrugged and took a sip of beer. "I don't know. Just...interesting. I guess I mean I'd like to take a look at it."

"You want me to take it out?"

She smiled and nodded slowly. So, I unzipped my pants and hauled it out. Her eyes went round with awe, and she let out a small groan.

"I knew you'd be hung, John. I just knew it. Back there in the restaurant, I knew it. It's a real...beauty. Would I shock you if I, you know, did what I did back in the restaurant? We can do whatever you want when I'm finished."

VERONIKA

Yet another Eastern European, all-natural hottie!

Where have we heard this before? New model. Big tits. Pretty face. And she's from...The Czech Republic. Thank *gawd* for broken records. Our newest Czech mate's name is Veronika. And, here's how stacked that mother-lode of a country is. She works in a factory. *A factory!* It kinda makes you wonder if even the pierogi delivery girls in the Czech Republic are bonerfide knockouts.

Veronika is one of many models discovered by our roving photographers, who spend so much time in Prague, they're contemplating dual citizenship. Can you blame them? Veronika was spotted eating lunch at an open-air cafe. At first, our guy thought she would be perfect for our young-girl book, *18eighteen*. Wearing overalls with no make-up, he thought she was the barely legal type. Veronika agreed to pose, and after her shift was over, she got nekkid, and our lensman started to get that *Voluptuous* feeling. You know what we're talking about—that warm, blissful euphoria that only comes in the presence of big, all-natural boobs. Kinda like how you feel right about now.

One thing that struck us about Veronika, aside from how much she looks like our 1998 "Perfect Ass" winner, Dawn Stone, is how excited her nipples are. They're hard and out there in every picture. Was it cold or is Veronika just happy to see us? "I was horny! I love to pose." That's all we got from Veronika, who speaks very little English, but is fluent in the international language of big-tits. Welcome to *Voluptuous*, Veronika. We'll be talking to you again, soon.

DEJA

**Huge Tits! Hot Ass!
Need we say more?**

Yes, sometimes four measly letters is all you need to live the good life. Especially when a great one is in the house. So, stop reading and start stroking. The biggest tits of the month are here, and they belong to D E J A.

This is Deja's sixth *Voluptuous* pictorial since 1999. With tits this huge, you'd think we'd have her in every other issue, but it's actually been 20 issues since we've seen Deja. So, when she called early in this new year and asked, "What gives?" we didn't have an answer for her. We did have a plane ticket ready, and though we knew Deja was awesome from her previous pictorials, we weren't prepared for the new Deja. Lighter hair, curvier body and those tits. Those humongous tits! They went from a double F to a full H-cup, which means it won't be two years until you see Deja in *Voluptuous* again. You can bet our editor's nuts on it.

With her enormous boobss, it's almost easy to miss Deja's round ass. "And it isn't no cottage cheese ass, either!" Deja couldn't help but remind us. "Baby, you can bounce a quarter off my ass or use it as a pillow. My ass is like my tits—you can use it for any-thing, and it'll be the best you ever had!" Did we forget to mention that Deja is also the fun-loving, effervescent type who is never at a loss for words? "Yeah, I live to have fun. Always have, always will." So, Deja, what's the best part of your body to have fun with? "Are you kidding? My tits! Look at them! I get you between my tits, baby, you'll think you died and went to heaven." No doubt, Deja, but what a way to go!

THE NYMPHO

Continued from page 28

I wasn't exactly shocked. But I did begin to wonder about her. I was obviously very available, and yet she wanted to feed herself the finger again. But I managed to appear unruffled and casual when I said, "No, no feel free, Jane."

She uncrossed her legs and hiked her skirt up around her waist and spread her thighs wide. My cock throbbed as I looked at her blond-haired cunt; it looked already wet. Smiling slightly, she put her middle finger against her lips and, staring hard at my cock, began to rapidly jerk-off. I got up and moved over close to her as her look and movement became more intense.

"You've got beautiful tits, Jane." I reached out and played with them through her top, milking her nipples.

Her face went slack as she picked up speed with that finger. She was staring at my cock hard, really hard, virtually worshipping it, and then she reached out with her free hand and started stroking it. Damn, she was horny! Her look turned absolutely pious as she started to cum, moaning and sort of whimpering. Her tits jiggled erotically and her finger moved so fast that flecks of pussy juice flew from it, landing on her thighs. She gripped my cock harder when she came and stroked it fast. I groaned as cum gushed out in throbbing spurts, covering her hand and arm. When she finally finished, when we finally finished, she let go of my cock

and giggled gleefully.

We both laughed when that horny little hand-off was over. I suppose we both felt a bit foolish. Whatever, she stood up then and we both undressed. Her tits appeared a lot bigger without that top and her cunt hair was sparse, revealing the pink lips beneath. We silently came together and kissed, arms holding each other tightly, her tits mashing against my chest. When we parted, I said, "Jesus, those beautiful tits. I wanta suck 'em a little first." They were a lot more than a mouthful, high and upturned near the nipples. I sucked one and toyed with the other until she whispered, "Go down now and suck it, John, please."

She sat back down and spread those long, full thighs, a strained smile on her face, which had turned damned pretty now. I went to my knees, holding onto her thighs, and plastered my mouth against her poochy cunt and began lightly licking its juiced-up lips. She grabbed my head and moaned, and I soon found that her clit seemed incredibly swollen and sensitive. Every time my tongue glided over it, she gasped and let out a groan. Lapping the slippery lips kind've slow and leisurely, I moved to her clit only occasionally. And each time I did she let out a groan and jerked reflexively, causing me to think that with that swollen clit she must jerk-off a lot. My thoughts persuaded me to go to the super sensitive spot almost exclusively and within a groaning, jerking minute, she let out a shriek and at least a spoonful of warm juice spurted in my mouth as she came.

"Oh, Christ! Your mouth and tongue are so marvelous! Thank you, thank you, John. I need to suck you now. Please, let me suck you. Please!"

I had never had a girl beg to suck my cock before, and I stood up to oblige her. What I had stumbled onto in that ladies toilet was evidently a real nympho, which excited me and sort of scared me at the same time. I'd head about their insatiable passion and also about their awesome demands. She took my cock reverently in her hand and bent forward with her mouth open. Then, she swiftly swallowed it all in one glad gulp, sucking so hard right off that her cheeks dimpled.

"God damn, Jane, baby! You can really suck a cock!" I groaned as I reached again for her tits and began milking the

JEZHABELLE

May all of your wet dreams cum true!

Nice look, eh? You guys have seen Jezabelle in *Voluptuous* five times prior to now, so when she came to Big-Tit Central top pose for her sixth time, we wanted to do something special. Only, we were too busy looking at her tits to speak, so Jez said, "What about something really classy and sensual?" Being boob hounds, we had no idea, so, we took Jez shopping. She picked out the clothes and even design the set. Looking at her pictures, Jez has some major skills, doesn't she?

BARE FACTS JEZHABELLE

Even though it's one of our favorites, some models aren't incredibly fond of assuming the above pose. For Jez, however, it's no problem. That's because this pose is one of Jezhabelle's favorites to watch people get fucked in. "This position is so awesome," says this big-time porn fan, "because the girl is completely helpless and the man can just pound her. And, I love it when the guy shoots his load all over the girl's asshole. That's so fuckin' hot! You know what I mean?" Oh yeah, Jez, we most definitely get the picture.

So, what part of sex gets Jez off the most? "On video, I love watching anal. It's just so hot to see a girl get fucked in the ass. And when I see double penetration, forget about it. My pussy becomes a river." What about personally, Jez? "What I love. I mean, what I totally get off on is tit-fucking. I love for a guy to lube up his dick and fuck me between my tits until his cockhead hits my mouth. And when he's ready to blow, I love to grab his dick and jerk it off until he shoots his wad over my tits and face! I'm telling you, to me, getting a man off between my breasts is the most intimate and satisfying type of sex."

nipples. She mumbled something and then reached around and began pulling on my ass hard.

Like most guys, I've had my share of blow jobs. Jane, though, was something else—a truly great cocksucker. Her tongue did little tricks while she ran her lips up and down my cock shaft, moaning like she dearly loved it. I kept tweaking her nipples as she hungrily sucked. Within too short a time, I began feeding her a big batch of cum that felt like it was melting my backbone. Believe me, I could not even moan my pleasure for a long moment as it gushed into her eager mouth and down her hungry throat. And, when I did gain the power to moan, I found I had let go of her nipples, grabbed her head and was

fucking her mouth with fast lunges.

"Jeezus!" I groaned as the last gushes permitted me to more or less speak.

She smacked her lips and grinned when she finally drew back. "They say it's good for the complexion. But I say it's just good. I really enjoyed that, Johnnie. Thanks." She smacked her lips again loudly.

"I could tell. You really drained me."

"Oh, poor baby," she gave me a pitying look. "Tell you what. You lie down on the carpet on your back and rest. And I'll just squat on your face while you lazily lick it. Okay, honey?"

I was beginning to get the idea of her inordinate demands. But I got down on my back like a trooper. My prick was at almost half mast. After she straddled me to squat, though, the sight of that round ass standing over me started to revive me. She was facing my feet when she squatted, and she wiggled her ass

expectantly. What could I do but lick it? It looked really broad hovering over my face, and I began by licking her cheeks and running my hands over her thighs. Then, feeling my prick get hard again, I ran my tongue over and around her asshole, even penetrating it some. She moaned and began wiggling her ass really urgently, and I felt a vibration that told me she was busy with her finger again. I probed her asshole with a stiffened tongue then and got an inch or so in. And that was all it took for her to reach a squealing, ass-wiggling orgasm.

From the feel of the vibrations, her finger must have been flying all over that swollen clit of hers.

Finally, she stood up and was grinning kind of foolishly when she said, "The sight of your cock coming up and your tongue up my butt was just too much." She laughed loudly. I guess it

Now, for those of you guys thinking young and blonde equals easy and dumb, guess again. Sam is heading off to a prestigious English university next fall, and though she is as hot as balls, this 19 year old has only seen one pair up-close-and-personal. Of course, living at home with strict parents, a curfew and no fire escape tends to hamper one's sex life, which is one of the reasons Sam is posing. She wants to be a rebel. She wants to experience life. Most of all, Sam just wants to get laid. Hey, girls get those urges, too, and thank goodness for that, because when Sam goes off to college she really wants to cut loose. Posing nude is just the start. Where she'll end, it's anybody's guess. We just want to be at the finish line to enjoy it. See ya there, Sam.

"CAN YOU SPARE A THIGH FOR A HORNY GUY?"

I know this is going to sound like some bad Hollywood screenplay and totally unbelievable, but it's 100% true.

A few years ago I was living on the street in Sacramento, California and asking for spare change to survive.

On one day, which was no different than many others I had forgotten, I was doing the usual thing—begging for spare change and asking those ladies I thought were cute, "Can you spare a thigh for a horny guy?"

I was just being a smart ass. Up until this day, all I'd ever gotten were mean looks or cussed at. So, when I saw this real beautiful young lady walk by me with a smile, I asked her, "Can you

RATED FILES

spare a thigh for a horny guy?"

I usually never ask any one who looks too stuck-up a question like that, but on this occasion I had to try it.

When I thought she hadn't heard me, I turned back towards my friends. One of my partners then yelled out, "Hey, she stopped! She's coming back."

She came up to us and asked who had asked for her to spare a thigh? Everybody immediately pointed at me, and I was thinking I was going to get a

royal ass chewing, so I immediately fessed up and told her (with a big grin), "Yeah, it was me, and I'd say it again if you gave me the chance."

She smiled back at me and asked if I would like to take a walk.

We walked to her car around the corner. She opened the driver's door and got in as I just stood there. Then, she asked me if I wanted that thigh or not?

I said, "Yeah," as I jumped into the passenger's seat of her car. I just sat there dumb-struck as she drove to a nice neighborhood, stopping in front of a big, two-story house.

She told me she was house-sitting for her parents for the weekend.

We went into the house and walked into the living room. When I turned around, I saw that she was leaving a trail of clothes as she was walking out of the room. She stopped only to tell me to make myself comfortable. Then, she said she'd be back in a minute and she disappeared up the stairs.

I went and got a beer from the kitchen and took a long drink from it. I'd almost finished it when she came back down the stairs in nothing but a short silk robe.

"You'll have to get undressed if you want to go swimming," she said.

So, I started to take off my shoes and socks. I guess I was taking my time, because she walked over and pushed me back onto the carpeted floor. She yanked off my pants, and my boxers followed in a matter of seconds.

She smiled and said, "It looks like I'll be getting my thigh first."

"Not if I can help it," I said, as I rolled her onto her back.

When I kissed her she tasted like sweet peaches. I trailed my tongue down her body to where she had her robe tied loosely around her hips. I untied her robe with my teeth, and I put my fingers in her tight, pink pussy folds. Only one fit in her at first, but after a few seconds I was able to get two in good and snug. Man, her pussy was so tight. She arched her back against my penetrating digits, moaning in pleasure every time I moved my fingers around and around and in and out of her pussy.

Then, she grabbed my shoulders and pushed me on my back, grabbing my hardening flesh and massaging the full length of my now hard member.

When she stopped, she got up and went out the back door of the house. I followed to find a covered pool in the

backyard. She quickly said that the dome helped keep the pool clean.

She turned on a radio to some oldie station. Then, she looked at me with a mischievous smile, knowing that neither of us could wait any longer.

Being so close to the water, once we began to passionately hug and kiss each other, we tripped over our own feet and fell into the pool with a big splash. We were still kissing under the water and we're lip-locked when we both came to the surface for air.

When we broke for a breath, she wrapped herself around me, mounting my throbbing cock with all of her might. Once she had my full length inside her wet, shaved pussy, she let out a soft moan that grew louder and louder with every thrust into her hot, velvety pussy. Within seconds, she was screaming and trembling, her legs wrapped tight around me, her arms around my chest, her hands scratching my back and her pussy throbbing and clenching my dick. She came as quick as I've ever seen a female cum.

When she had finished cumming, she started to rub her perfectly round breasts against my chest. I put my mouth around one of her perky nipples and she responded by pulling my head against her chest and moaning ever so gently in my ear.

I would have been more than happy to continue nibbling her breast, but she pushed away and swam over to the edge of the pool where she sat on the edge. I could have stayed in that pool and looked at her smooth mound forever, it was that pretty. As I moved closer to taste her sweet depths, she asked me to wait just a second.

She got up, and disappeared. In a few minutes, she came back with some flavored type of ointment, which she rubbed up and down her thighs as well as all over her dripping pussy.

When she was finished, I moved in. I put a leg over each shoulder and ran my tongue along her legs. She ran her fingers through my hair guiding me to her pussy and in a few seconds I was tasting each delicately soft fold as well as her hard, little clit.

She couldn't do anything but lay back and go crazy with desire, lifting her pussy up off the ground to meet each of my licks. I kept at it until she was pleading for me to fuck her again.

I pulled her back into the water to slide into her tight pussy all over again.

The second I got inside her she was clawing up and down my back and kissing me everywhere. Then, she just stopped, grabbed my shoulders and pushed her head away from me while at the same time pushing her pussy all the way down my shaft. She started to tremble all over, convulsing with each of my hard thrusts.

When the last of what looked like 20 orgasms ended, she set her head on my shoulder and said that she hadn't ever cum like that before.

I still hadn't cum yet, and when she lifted herself off my hard dick, I started to think I never would.

She led me out of the pool and we sat on the edge. She pushed me back on the cement and started to suck my now only semi-hard cock. When I got fully hard again, which didn't take long, believe me, she started to swallow the full-length a little at a time and didn't stop until she was deep-throating every last millimeter of my dick.

Up and down the full-length of my flesh she went, slowly at first, then faster and faster until, she stopped again. Now, I don't know about all of you guys reading this, but all of this stopping and starting and stopping again was driving me crazy.

This time, she reached over and got that ointment and rubbed some on her breasts. She placed them around my hard cock and slowly ran them along the length of my hard flesh, stopping occasionally to swirl her wet tongue along my member and to suck on the head like a Tootsie Pop.

Now, not to be too selfish, but I was determined to shoot my load. After all, she had cum already and often, so I figured I was due. I grabbed the back of her head by her hair, which only made her go faster. Her body was moving up and down, her breasts wrapped around my dick. With every downstroke, her open mouth would take in more and more of my dick. Just the head at first, but then the head and some shaft, and a little more dick with each down stroke. Just as I was about to cum all over her tits and face, she grabbed my flesh with both hands and shoved my exploding cock deep in her vacuum tight mouth, sucking down every last drop of hot, slimy cum I could produce for her.

We spent the rest of the weekend doing much of the same, and then some. But, that's another story I'll have to tell you later.—S.M.B., California

SAMANTHA

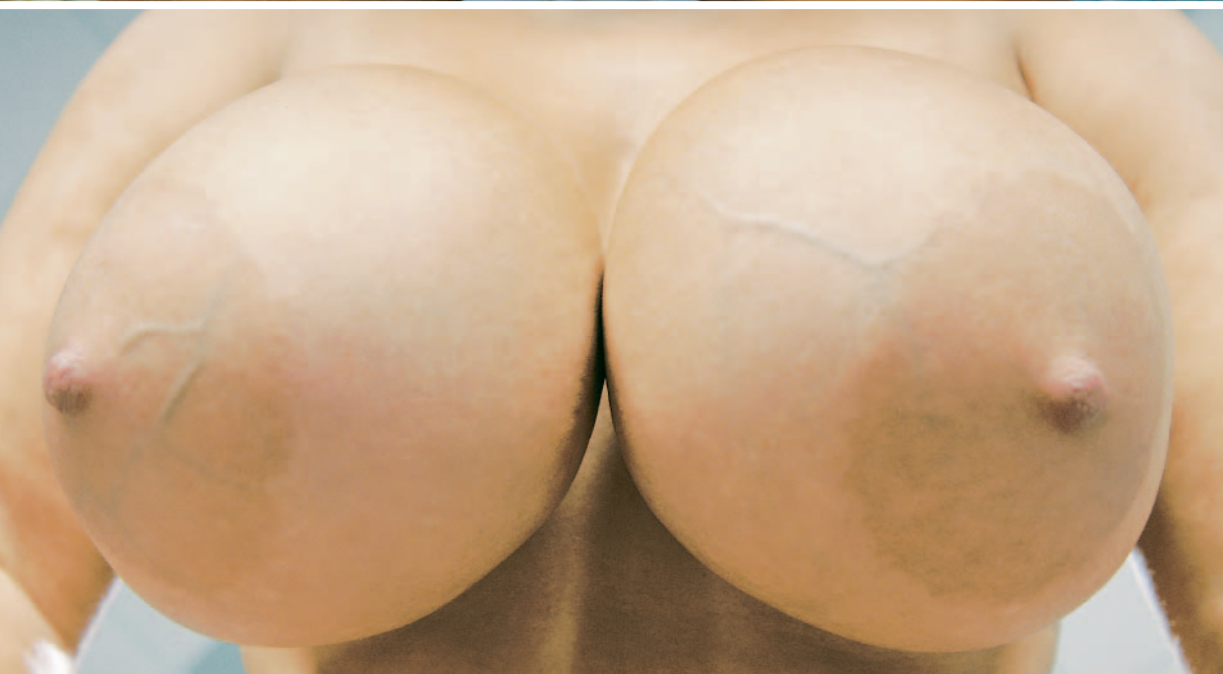

Now, this is what *Voluptuous* is all about!

Why do we love big tits? Simple. As a great scholar once said: Because they provide shade in the summer, warmth in the winter and recreation all year long. Why do we love Samantha? 'Cause her tits are some of the biggest we've ever featured. With thick blue veins, dugs that could dent a car door, areolae the size of your hand and a body to match, we ask you—what's not to love?

Is it any wonder Samantha was *Voluptuous*' 2003 Plumper of the Year? She's perfectly proportioned. In fact, when prospective photographers ask us to define what exactly constitutes a plumper so they can go out and find them for us, we just show them a picture of Samantha. You see, plumpers aren't fat. Oh, no sirree. They're full-figured. Fat girls, glorified as Big Beautiful Women (BBW's), have got rolls and rolls of fat spilling out everywhere. Hell, their ankles resemble most guys thighs. Plumpers, however, have just enough extra *ummp* to hold onto and more curves than that street in San Francisco. Love goddesses like Samantha have wide, breeding hips, a curvy midsection and an ass that looks just like this one, with tits to match. Now, think about it. How many women like that do you know? We only know a few, and Samantha is one of them.

Best of all, Samantha is horny. We mean, really horny. Oh, sure, you can listen to her talk about swallowing cock as hard as a steel pipe and how she likes to get fucked hard, but we prefer to watch Samantha do it. Whether she's getting way-laid in the Sept. '04 *Voluptuous Xtra* (yes, back issues are still available) or getting pounded in video, seeing this super-plumper sex it up is one of the things that makes life worth living.

was to hide her slight embarrassment.

But she wasn't too embarrassed. She turned around and squatted again, then took hold of my joint and guided it to her cunt. It was my turn to moan as she sat totally down on it and instantly began bouncing that beautiful ass like a dribbled basketball.

"What a cock! What a cock!" she groaned through clenched teeth. I reached up and pinched her nipples. And within about half a minute, I witnessed a series of bouncing orgasms that came one after the other in rapid succession and only stopped when I groaned and came also. I shot my wad up into a cunt whose quivering continued until my cock finally stopped gushing. Then Jane giggled and said, "I'm a fucking cumming machine, aren't I? I suppose you're through for now, huh? Totally pooped out?"

I looked up at her and forced a smile. "For today, yes. I've heard of horny girls, Jane. But, you're almost too much. And that pussy of yours. That fucking snapper pussy is awesome."

"I'm glad you said 'almost,'" she clamped down on my softening prick. "You know, I can come over any time during the day, Johnnie. I'll give you my number if you give me yours," she grinned as she clamped again.

After exchanging numbers, she left, and I heaved a sigh of relief. Jane was almost too much for me. But after a few hours I found myself thinking about her tits, legs and bouncing ass and decided I'd call her tomorrow. I was on two weeks vacation from work and with not much to do. So what better than to spend part of it with a nympho? I knew I'd regret it later if I didn't.

Just as I was having these horny thoughts, the phone rang and it was Jane. After about a minute of small talk, her voice turned strange and quivery and I knew she was masturbating.

"It's your big-headed cock that I keep seeing," she said. "Talk to me now. Tell me all kinds of nasty-nice things," she laughed and added, "Jane's at it again, John. Is it hard now? Is that big, giant cock hard?"

I laid it on, telling her that her thighs and tits and ass would give any guy a hard-on and that, yes, I really had a monstrous boner. I went on and on

about my prick, figuring that was what she wanted, and in no time she was having these wild orgasms, one after the other, and I was jerking-off to the sound of her agonized moans and groans. I came like a geyser. When we both finally quit and her voice had returned to normal, she thanked me.

"Thank you so much, Johnnie. You're such an understanding guy. Can I come over tomorrow?"

My ego wouldn't allow me to tell her the truth—that she was a little too much for me. So I replied with a weak "yes" and told her the time.

Completely revived after a night's sleep, I was actually horny and eager for Jane to arrive. I mixed a rich eggnog to fortify myself and put on a pair of cut-offs with no shirt and waited. She arrived way ahead of time, grinning from ear to ear, wearing a tight skirt, a red tank top and very high heels.

"Jack off Jane reporting for duty." She saluted as she walked in. She made a playful grab for my prick before sitting down and saying, "I could go for a beer, if you have some."

I got us two bottles from the fridge and we sat and talked quietly for a while, each aware of what was coming. After a time, I bluntly asked her if she thought she might be oversexed.

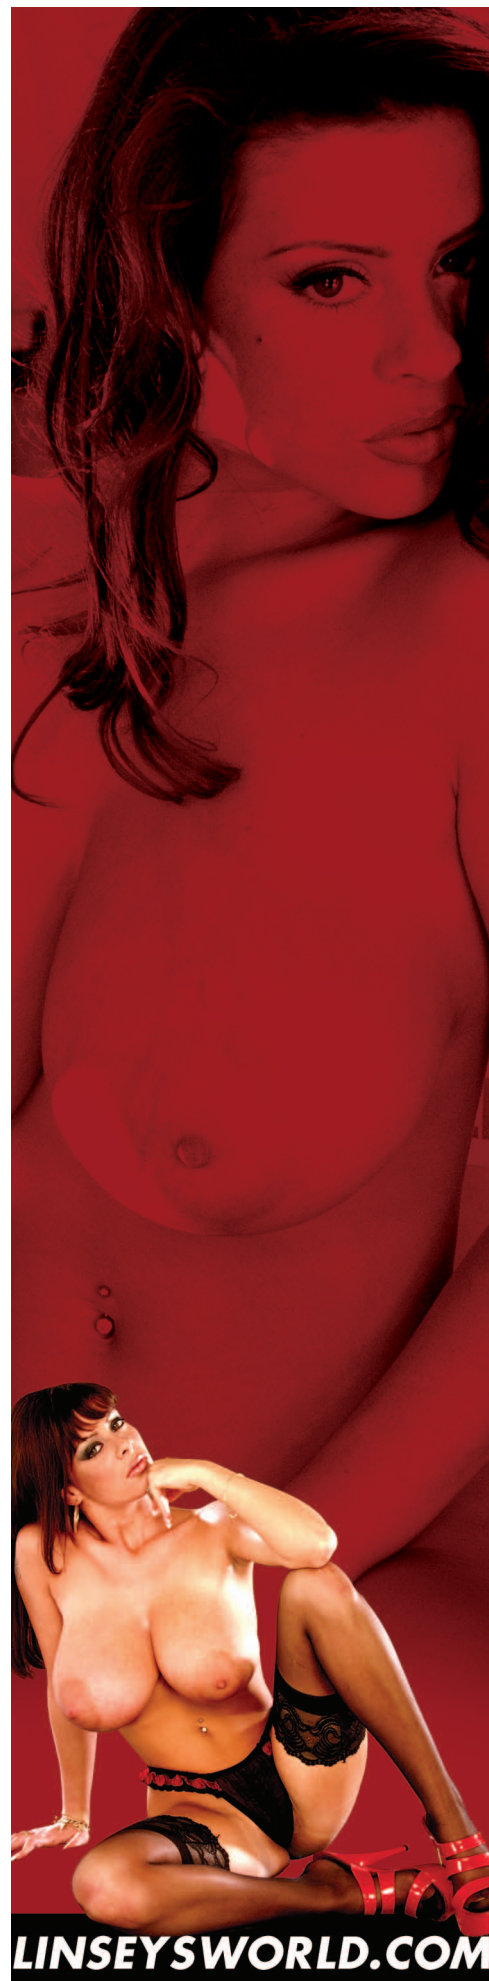

She shrugged. Then she soberly said, "Isn't that what gave us life? Sex? I like to think I'm full of life. Orgasms feel wonderful, and there's nothing wrong with feeling wonderful. The way I see it, it's as simple as that."

"Okay, I'm convinced," I grinned. "Let's both begin feeling wonderful."

While we talked, she spread her thighs, and her panty-less pussy was in plain view. I told her, truthfully, that she was the best I'd ever had and that it was good to count on her having orgasms. "You're right, Jane. You're a real cumming machine," I told her.

She grinned and shrugged. "I get plenty of practice at home. They nourish me, orgasms. A day without any is like a day without food. I...ahhh... think I'd like some more nourishment right now if you'll take it out, Johnnie."

I hauled out my cock, and her eyes focused on it as swiftly as her finger sped to her clit. I made it jerk to please her, and Jane's finger was literally a blur, she played with herself so fast, her finger was a complete blur. And, as usual, it didn't take Jane very long. She

came quickly, moaning and grimacing, then grinned weakly when it was over and said, "Thanks for understanding. Now, let's get naked, and you can slip that stiff beauty up my cunt."

We quickly undressed then, and I had something in mind as I moved over to her and sank to my knees between her spread thighs. I eased it in all the way and held it there, not moving. She moaned and moved her ass impatiently, then whispered, "Fuck me. What are you waiting for? Fuck me hard."

I gave it a few thrusts and then stopped, holding it in deep.

"Move it, Johnnie. Come on. Give it to me, please fuck me." She again wiggled her ass impatiently.

I moved it fast and hard and deep for about a dozen thrusts. Then I stopped. By then she'd realized that I was teasing her, making it last.

"You're being so mean," she said with a laugh.

She had thrown her thighs up around my back and started moaning again when I finally fucked her hard and fast.

It was great for both of us, really. I was looking forward to the rapid, deep thrusts as much as she was, and as I got into a powerful humping motion, a pattern of sheer sexual euphoria had developed for the both of us.

I'd begun sucking a nipple during my long thrusts, and she'd started really squealing and moaning during them. She began talking during the lulls. In a half whisper, she said all kinds of "nasty-nice" things.

"I'm in lust with your long dong, darling. I go to sleep and wake up thinking and dreaming about your big, fat, thick, long cock. I call it 'Long John Baby' when I'm fingering off. My cunt aches for your cock, darling. When you fuck me fast and deep I feel it in my tits, too. Your big, hard, thick cock ripples over my clit a thousand times better than a finger, Johnnie."

She didn't beg for me to make her cum, either. She was getting into the rhythm, and she seemed to really thrive on it. I felt complimented from all the nasty-nice things she told me, and I had begun shortening those lulls a little. But, when she sucked in a deep breath and obviously started to cum, I stopped, and Jane groaned in disappointment.

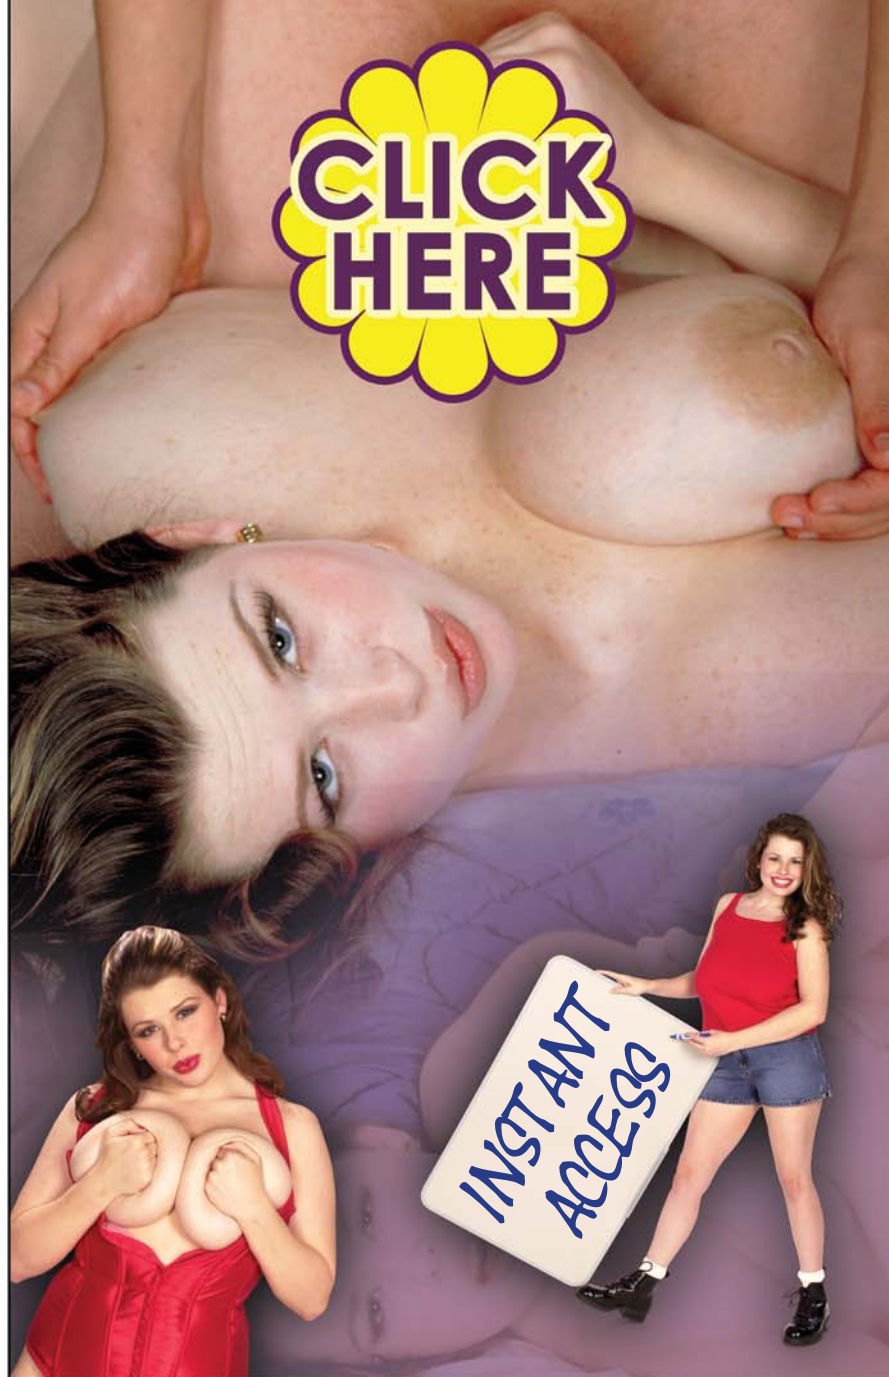

"Enough playing around already. I really need to cum now," she said, wiggling her ass. "Don't be mean anymore. Now, please, make me cum. Fuck me

good and hard and make me finally cum. You cum, too, Johnnie. I want to feel you cum, too."

"Long John Baby" wasn't ready. I could've easily gotten off by merely not stopping. But I wanted to make this fuck memorable. I wanted to make this nympho know she had finally been well fucked. So, I ignored her pleading and kept on fucking her with those lulls. Her pussy was so strong and tight, she was clamping on my cock with each thrust, and it was all I could do to pull it out to ram it back in. I could tell she was now resigned to not cumming until I was ready. I went from nipple to nipple, sucking lightly, and they looked like big strawberries now.

Nympho or not, I have to admit she was by far the best I had ever had. Her cunt was tight and talented. When I moved fast and hard she rotated her ass to my thrusts and moaned like she loved it. She did. That was obvious. During those lulls, she kept on talking nasty-nice to me and continued with her tight cunt clamps.

All of a sudden, without really thinking, I pulled it out and said, "Let's get down on the carpet and go 69, Jane."

She wasn't in the mood to argue. I got down on my back and within seconds she was on top of me, her ass and cunt in my face. I plastered my mouth against her pussy as she swallowed my prick to the root, and it was instant suck city for both of us. I tongued her asshole some at first. But soon I kept her clit in my mouth and was lapping it fast and lovingly. She came with a cock-muted groan and was hardly through with it when she came again and again and again. I blew my nuts during one of her moaning orgasms, and it felt like I was pumping out a load that might never stop.

She came up looking dazed but happy. I complimented her on being able to swallow all my cum so easily, and she grinned and said, "Actually, I was wishing there would be even more, it tasted so good."

I sat up, looked at her and nodded. "You know, Jane, there's this story about a girl who finds a magic lamp. She rubs it, a genie pops out and grants her three wishes. The girl wishes for a Ferrari and *poof!* Next morning, there's a shiny brand-new Ferrari parked in her driveway. She rubs the lamp again and the genie pops out and says she's

got two more wishes. The girl wishes for five million dollars and the next morning the money is neatly stacked on her nightstand. For her last wish, the girl wishes her boyfriend had a cock that would reach the ground, and *poof!* The next morning, her poor boyfriend wakes up and his legs are only three inches long. The moral of that story is, Jane, that a girl better be satisfied with what she gets."

She laughed as she came to her feet and flopped in a chair. "Yes, well, I'm satisfied for about two minutes."

I got us two cold ones, and we sat and talked quietly. I told her I was on vacation and that she could come over whenever she was in the mood. "Like all the time," she grinned. I asked her what kind of work she did, and she said she was a telephone operator and worked nights. I told her, grinning, that she really might be too much for me, but I would gladly die trying to satisfy her. I found we dug the same music and that we shared quite a few preferences. We had two more beers while talking, and Jane's gaze seldom strayed from my dick. That staring finally went both to my ego and my prick and the latter was up and throbbing again when she grinned and said, "You've been looking at my ass a lot, big John. And licking it. Now, I don't want to scare you and overwhelm you with my horniness, but, would you like to get that big, thick, gorgeous cock of yours and ram it deep in my ass?"

"Is the Pope fucking Catholic?" I said with a wide grin. I hadn't had anal sex in years, and the thought of getting behind Jane and her round ass was enough to make me cum on the spot.

"Yes, he is!" she said, rising with a wide, salacious smile, and still staring at my prick.

She got down on the carpet on her knees and elbows, ass high and wiggling. I stood behind her and looked down at it. "Jesus, Jane," I breathed. "That's the roundest, most fuckable ass I've ever seen. And it's really spread in that position. Ready for a fucking."

I eased down behind her and began licking her ass cheeks and asshole.

"That feels wonderful, Johnnie. God, I'm so fucking horny, I can't stand it.

From the second we met Angel, the one thing we noticed was that her nipples were always hard. Clothed or naked, they were way out there. "Yeah, they're pretty hard, eh? I'm always like that. I used to wear real thick, padded bras to hide my nipples, but now, I don't care. In fact, I love it when they stick out. I even have a pet phrase for when people are looking at them. Their eyes go from my tits to my eyes, and I'll just wink and say, 'It's nippy in here, eh?' That gets them every time." Man, this girl is one sexy dish. Can you imagine what guys would do if they saw Angel playing with her nipples while her tight, fresh twat was oozing happy sauce? "Oh, they'd be jerking and cumming in a minute!" Some in less time than that, Angel.

THE NYMPHO

Continued from page 82

Just shove it in," she begged.

I pushed gently but persistently and in it slowly went. I shoved it in to the hilt, and Jane wiggled her ass, pushing back to take every inch.

"God, I really adore that cock of yours, Johnnie. Like I said, I knew you were hung when I looked at you in that restaurant. I love you being inside me. Now, fuck me. No playing around this time. Fuck me hard."

She was as tight as a fist, and my first thrusts were slow and careful. Then I felt a familiar vibration, and I knew she was at it again, working her clit faster than a hummingbird flaps its wings.

I reached around her and got her nipples and began tweaking them. Her moan was low, but suddenly it reached a high pitch as she launched into an orgasm. I began to pound my cock into her ass, hard and fast.

"That's it, Johnnie. Fuck me with that huge cock. Fuck me hard. Pound me!" she groaned.

I did. I pounded it into her back road as hard and fast as I could, and within minutes I was shooting a major load deep in her asshole. When I came, she did again, and she screamed, actually screamed, and started ramming her ass back hard against me as she had a fingerless orgasm. We remained glued together until I heard her sigh and say, "Now, that one really satisfied me. You won't wake up in the morning with your legs only three longs, I promise," she said with a laugh.

Leaving it buried, I chuckled and said, "If I got to keep doing this, believe me, Jane, it'd be worth it."

She turned around, my cock still deep in her ass, and laid down, her head by my feet, her ass cheeks warm against my thighs. I heard her breathing deeply, and within in seconds, she was sleeping blissfully, resting between my legs, with, yes, my half-hard cock still in her ass. It was the calmest I'd seen Jane in the short time I'd know her, and I had to laugh.

"Leave it to a nympho to fall asleep between my legs, with my dick in her ass. You gotta love her."

Jane continued to sleep, and I let her, drifting off to sleep myself. I needed my rest. I needed to rejuvenate. After all, my nympho would be awake soon. 

MARIA MOORE

Women just don't get any better than this!

All right, stop your bitchin'! That intro goes out to the 250-plus guys who write us every week saying, "Give us more Maria Moore!" Can you blame them? Maria's got great tits, a body worth writing in for and a personality to die for. We know a month of *Voluptuous* without Maria is like a year without sunshine and...Hey, come to think of it, now we have a gripe of our own! Every week? With a woman like Maria Moore, you guys should be writing in every freakin' day!

Fess up, dudes. You've seen all of Maria Moore you need to see for her to go right to the top of your V-list. From her 16 pounds of breast flesh to those strong thighs to that ass that makes every chair the envy of all men to her tight, pink, snapper-pussy, the mold was broken with Maria and as far as we have seen, it's never been remade. But, do you know what Maria's most erogeous zone is? Her personality! We could write volumes about her voracious sexual appetite and her free spirited ways, but all we really have to tell you is, any lady who believes first dates should start with fucking is ultra-fine by us.

BARE FACTS

MARIA MOORE

Birthday: June 12, 1975 **Height:** 5'3"

Weight: 147 lbs. **Measurements:** 44-30-42

Bra Size: 36FF **Lives:** Philadelphia, Pennsylvania

Previous *Voluptuous* appearances: Aug. '04 (XXX-Rated boy-girl), June '04, Holiday '03, Oct. '03

Videos: *Stacked & Packed #5* (X-Rated, available on VHS and DVD in the Video Club on page 98)

Officially, Maria's tits are a double F-cup, which are downright huge, and sometimes get even bigger depending on which day of the month it is. Maria's ass, however, is only about a six-incher. "It's a tightie! My pussy, too!" confesses Maria, who runs counter to all of those big-girl, big orifice misconceptions. "For me, it's just the opposite. I mean, look at this dildo. It's not huge or anything, and that fills me up. Hell, it's too much." Now, we could segue into Maria's dildo-stuffing *Stacked & Packed #5* video, but why bother? It's a best-seller and needs no extra pub. As for Maria, look at her. What else can we say that would make her any more voluptuously perfect than she already is?

With two XXX videos in less than a year, you know she loves zipper-pipe!

AVA Ya gotta love a woman
who drives 1,200 miles just to get laid.

Actually, it was only about 1,172 miles for our favorite Delaware waitress/student to drive for a day of hardcore sucking and fucking, but who's counting? Ava came, she saw, and...she came again and again and again. Hey, Ava is a 22 year old college student with no responsibilities and a libido that needs sex and plenty of it. We should all be so lucky.

For those of you wondering how we could convince a fresh-faced, bouncy-bottomed babe like Ava to cum for the camera, it was pretty easy. Then again, Ava isn't like other young ladies. Where most college chicks are going to keggers and trying to join a sorority, Ava doesn't get into that stuff. She's into more mature fun with men. "College boys are, well, they're boys. I like men who are the take-charge, 'I'm-going-to-fuck-you-like-you've-never-been-fucked-before' type of guy who not only has the balls to say something like that, but can back it up, too. The kind of guy who will spank my ass hard, call me a 'fucking bitch' then screw me like a whore." Like we said, Ava isn't like other college girls, and we wouldn't have her any other way.
